2020 celebrates the 35th birthday of Friends of Hospice Southwest Washington! New realities have forced us to transition our largest fundraising event of the year to an online event. We need your support to continue providing funds for children's needs and programs that make a significant impact during such a critical time in their lives.

A little story:

A 5 year old child in hospice care kept insisting she needed a "little red wagon."
After being questioned why the wagon was so important to her, she simply said,
"**I need my red wagon so I can take my toys to heaven…….**"

## PLEASE help us provide "little red wagons" for the children!
